unfortunately most of us have little sense of our talents and strengths much less

the ability to build our lives around them instead guided by our parents by our teachers by our managers and by psychology's fascination with pathology we become experts in our weaknesses and spend our lives trying to repair these flaws while our strengths lie dormant and neglected marcus buckingham coauthor of the national bestseller *First Break All the Rules* and donald o clifton chair of the gallup international research education center have created a revolutionary program to help readers identify their talents build them into strengths and enjoy consistent near perfect performance at the heart of the book is the internet based strengthsfinder profile the product of a 25 year multimillion dollar effort to identify the most prevalent human strengths the program introduces 34 dominant themes with thousands of possible combinations and reveals how they can best be translated into personal and career success in developing this program gallup has conducted psychological profiles with more than two million individuals to help readers learn how to focus and perfect these themes so how does it work this book contains a unique identification number that allows you access to the strengthsfinder profile on the internet this based interview analyzes your instinctive reactions and immediately presents you with your five most powerful signature themes once you know which of the 34 themes such as achiever activator empathy futuristic or strategic you lead with the book will show you how to leverage them for powerful results at three levels for your own development for your success as a manager and for the success of your organization with accessible and profound insights on how to turn talents into strengths and with the immediate on line feedback of strengthsfinder at its core now discover your strengths is one of the most groundbreaking and useful business books ever written please note that the code for the online strengths finder test is found on the inside of the dust jacket or in the sealed sleeve bound into the book just before the end paper

discover your strengths by marcus buckingham donald o clifton learn how to develop your talents and those of the people you manage as you've navigated through life you've probably identified your weaknesses you know all about your flaws shortcomings and what areas you need to improve upon perhaps you know that math is not your strong suit or that any sport involving a ball is simply not where you thrive companies and organizations even make sure that we know all about our weaknesses they send employees to various trainings so they can develop the necessary skills to do their job better but what if we've been doing it all

wrong according to marcus buckingham we have we shouldn't be focusing on our weaknesses it's our strengths that we should be growing and developing in now discover your strengths you'll learn how to identify your strengths and use them to launch you further in life and your career as you read you'll learn how your brain plays a role in developing your innate talents why playing up your strengths is far more powerful than fixing your weaknesses and whether you're an achiever arranger or input type
