this book examines the state of christianity in the united states considering trends in religious beliefs and affiliation over the last forty years it seeks to explain why so many of america s largest denominations have witnessed such a dramatic decline during this period it argues that although there are many elements to this decline the shrinking families of americans including american christians are a primary explanation for our aging and shrinking christian congregations beyond establishing this explanation for organized decline this book also offers a survey of the relevant research explaining why more and more americans are deferring family formation and having fewer in many cases zero children it discusses the relevant social science research on this subject which focuses heavily on the role of economic change it also summarizes the relevant research on cultural change and the family particularly the relationship between religious beliefs and activities and changing family norms

in the cross of christ in african american christian religious experience piety politics and protest demetrius k williams examines and explores the ideational importance and rhetorical function of cross language and terminology in black religious experience through an ideological lens williams argues that for the first time in christian history the european nation of portugal under the guidance of prince henry used the theology of the cross to justify and sustain an exclusive trade of sub saharan african peoples claiming that jesus died on the cross only to save lost souls provided a convincing rational for henry s exploratory voyages of discovery to west african to exclusively enslave black bodies with the confirmation of catholic popes and the competition of

other european nations this same rationale would inspire empire building colonization and slave trading justified on their newly constructed ideological narrative of compassionate evangelism to save lost souls over time with massive conversions to the faith of their enslavers black people s christian religious experiences would articulate a response to the world that held them in thralldom that response would be articulated most consistently and effectively through their understanding of the cross of christ williams affirms howard thurman s claim that by some amazing but vastly creative spiritual insight the slave undertook the redemption of a religion that the master had profaned in his midst

the author host of the daily christian radio show stand up for the truth shares his observations on the influence of secular humanism on the current and future states of american christianity while detailing his perceptions of secular humanism within current american culture

written in a respectful and conversational style this unique book is designed to promote constructive dialogue and foster mutual understanding between christians and non christians the author a skeptic and journalist asks basic questions about christian belief what is the born again experience why would god want to sacrifice his only son for the world do miracles really happen how reliable is the bible what is the rapture why isn t everyone a christian each question is followed by commentary and analysis that is skeptical and tough but never argumentative or condescending christians will find the book useful as a basis for developing their apologetics while skeptics will welcome harrison s probing rational analysis of religious claims

in afrian american christian ethics samuel k roberts builds an ethic upon a trinitarian foundation and explores scripture tradition human experience and reason as sources for such an ethic using this framework he examines critical issues including human sexuality and family life medicine and bio ethics and the pursuit of justice
